Useful Information:

A VEEC represents a reduction of one tonne of carbon dioxide equivalent and can be created by the consumer when inefficient water heaters are decommissioned and replaced with eligible water heaters. To find out how many VEECS your installation is eligible for, go to www.esc.vic.gov.au. **Please note that VEECs are not applicable to new homes or commercial installations.**

The consumer can assign their right to create VEECS to a registered person such as Rheem Australia Pty Ltd in exchange for financial benefit. It is the consumer's responsibility to negotiate satisfactory terms. You are not obliged to assign your right to create VEECs to Rheem. If you choose to do so, you will receive the financial benefit either by Point of Sale Discount or after the VEECs have been created. **The value of a VEEC will change depending on market supply and demand. Rheem will pay our current rate on the day we receive the form.** To find out the current value of VEECs you can call us on 132 552. To allow sufficient processing time, all claims must be received by 31st May in the year after installation.

Rheem will only use the information on this form to create VEECS. For further information regarding privacy go to www.privacy.vic.gov.au
